It's OK to Not Be OK.

Help us change the conversation around substance use disorder so that we come to understand that it is not a moral failing. It's a chronic illness that needs to be treated with skill, urgency and compassion.

Know the Five Signs of Emotional Suffering

Hopelessness

Agitated

Personality Change

Poor Self-Care

Withdrawn

Look for these signs in yourself, your family and your friends.

*There's no shame
in reaching out for help!*
