

NORTH PROVIDENCE AND SCITUATE PREVENTION COALITION COORDINATORS

Seeking 2 part-time Municipal Coalition Coordinators for North Providence Prevention Coalition and for Scituate Prevention Coalition. The goal of this position is to prevent the onset and progression of substance use, while supporting and promoting positive lifestyle choices in our youth.

Duties and responsibilities of the Prevention Coordinator include, but are not limited to the following:

- Recruit stakeholders that fulfill 6 core sectors to be part of the coalition, i.e., business, education, health care, government, community/family supports, and safety.
- Implement Evidence-Based Programs for middle and high school youth in Scituate.
- Work with both the middle and high school administration.
- Participating in public awareness campaigns and projects relating to health promotion.
- Work with the community to spread messaging by educating and raising awareness.
- Facilitate at least ten (10) meetings a year of the municipal prevention coalition.

**APPLICATION PROCESS: Send cover letter and resume to SPC
